Dear Parent/Guardian:

Thomas Jefferson High School will conduct Student Success Conferences (*Student-Led Conferences*) on April 17–19, 2013. At the Student Success Conferences your student will share his or her progress in each class. Teachers will be present to provide valuable input.

Our Student Success Conferences will be held within the Cafeteria, Deuce, Commons and Library, to provide improved access to teachers. All teachers will be present during the hours outlined on Wednesday, April 17 and Thursday, April 18. Teachers will only be available *by appointment* on Friday, April 19.

It is our hope to get 100% of our students and parents attending our Student Success Conferences. Please set aside some time during April 17, 18 and 19 to speak with your child's teachers. It is vitally important to know how your child is progressing. School/home collaboration is critical for every student to achieve success.

We will have refreshments available, college scholarship and admission information, school program details, translators, celebration of student performances in band and chorus, child care availability, and resource availability information. It is our intention to make our Student Success Conference a valuable time for students, teachers and parents to maximize every student's chance to be successful.

Our conference schedule is deliberately designed to be flexible for your convenience. Please drop in any time during the intervals listed above on Wednesday, April 17 and Thursday, April 18. We have some additional times available on Thursday and Friday if none of the indicated times work for you. *Please contact the teacher by Monday, April 15 if you wish to schedule an appointment.*

***Please note**: No transportation is provided for Student Success Conferences.*

We look forward to seeing you on April 17, 18 or 19.

Sincerely,

Liz Drake
