

# LAKE GROVE STUDENT DROP-OFF AND PICK-UP TRAFFIC MAP

Mapa que indica la dirección del tráfico la mañana y de la tarde

Drive Through  
Pick-up/ Paseo Por  
Recogida

This traffic map is provided to help parents and students understand drop-off and pick-up traffic procedures for before and after school. We have many cars entering school grounds to pick-up their children. Please use caution and patience when driving on or near the school during these busy times. Parking lots are drive-through pick-up only during AM/PM peak times. Some additional parking is available on the street if you need to leave your vehicle.

Favor de seguir las reglas y procedimientos de tráfico al venir a dejar a sus niños por las mañanas y al recogerlos por la tarde. No puede estacionar dentro durante esas horas, se debe estacionar en la calle si es necesario, gracias or su paciencia y consideración.
