

# SAGHALIE TARDY POLICY

In order to help students appreciate the importance of punctuality, here is our tardy policy:

❖ Students arriving to school late...

1. will receive a **Saghalie Middle School Admittance Slip** from the office staff to be admitted to class late.
2. will be addressed by Security, Administration and or Counselor and there will be an attempt to call home.  
**(Note: This call will be in addition to the automated call regarding attendance going out).**
3. will receive a Thursday school in the ISS room. The Point Of Contact for Thursday school is Mrs. Ross (ext. 5016). The focus for each student attending Thursday school will be reading & math.
4. **NOTE:** For The Purpose Of Data Collection, ALL Students Arriving To School Late Will Go Through The Tardy Policy Process.

❖ Students who are late from one class to another, will be dealt with according to the classroom teacher's policy and expectations.

Coming to school on time is a value and an expectation in the Saghalie Learning Community. With the Sense Of Urgency of getting each of our young Skyhawks to meet & exceed the academic standards, students arriving to school late disrupt the process of Teaching and Learning for themselves their peers and the teacher.

The **policy's goal** is to inspire daily punctuality and to instill it as an invaluable routine for success in all endeavors!
