

The Honor Level System

The Honor Level System has been established to provide an environment that encourages students to act responsibly and appropriately. More importantly, it provides a means for students to recognize inappropriate behavior, make changes and be rewarded for their effort.

Saghalie Middle School students are expected to:

- Use appropriate language
- Respond appropriately to a direct staff request
- Come to class with appropriate materials
- Follow all classroom rules
- Follow all school rules
- Treat staff and students with respect
- Use appropriate conduct
- Arrive to class on time

All students begin the year on Honor Level One. Students who do not remain on Honor Level One always have the opportunity to work their way to Honor Level One by observing all school rules and receiving no infraction demerits for two weeks. At the end of two weeks, students will be “raised” up to the next level. Example: If a student is on level four, and has no infraction demerits for two weeks, at the end of two weeks, they would move up to level three. Students on levels lower than Honor Level One are consistently encouraged to “work their way up” to Honor Level One.
