### Advice for a good design:

- Keep it simple!
- Think of a design that will include and appeal to all students at your grade level
- Create artwork that will work on a t-shirt or sweatshirt
  - Bold lines – avoid using fine lines, they don't show up very well on the final product
  - Consider using the computer (Microsoft Works, Adobe Illustrator, Corel Paint)
    - Digital files are accepted in .jpg, .tif, .gif, .psd and .bmp
