Re: Sammy Smith

To Whom This May Concern:

I have lived next door to the Smith family for several years, and I am pleased to write this letter of recommendation for Sammy.

Sammy has been close friends with my own son from the time they were in middle school. He has been an overnight guest in my home and we have hired him to take care of our pets and our lawn when we went on vacation.

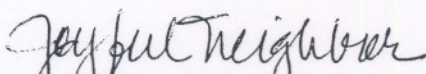

Sammy is an outstanding young man. He is pleasant and polite, and he has a great sense of humor. He is on a recreational baseball team that is coached by my husband, and he is a good sport as well as a great third baseman. He always gives his best on the field, which includes his respect for his teammates.

Sammy is very trustworthy and mature. He is the first person we think about to hire to take care of our house and our pets when we are out of town. We always come home to find our house in order, our lawn well-maintained, and our pets healthy and happy.

I am sure that Sammy will be successful in all that he attempts in life, and his positive outlook, strong work ethic, and trustworthy character will shine wherever he goes.

I recommend him highly, and I invite you to contact me if you have any further questions.

Sincerely,

Joyful Neighbor
