

Graduation Ceremony 2008

April 7, 2008

Dear Todd Beamer Titan:

Congratulations! Our records indicate that you have completed four years of high school, or its equivalency, and have earned the privilege of participating in the graduation commencement ceremony for the class of 2008. We have included with this letter the **Todd Beamer Campus Graduation Ceremony Planner 2008** to guide you through the next several weeks as we move closer to the end of the school year. The graduation commencement ceremony will be held Sunday, June 8th at 1:00 PM in the Tacoma Dome. Please read through your planner and become familiar with the dates and times of important activities for seniors. Also in this planner you will find several requirements that must be completed before participating in the ceremony. Finally, tentative arrangements for a graduation night celebration are in the works. Cost and specific information will be available soon.

The Senior Grad Night Chairperson has included a letter in this mailing
