Gem Abe
Head Football Coach
Todd Beamer High School

Dear Todd Beamer High School Football Players and Parents;

I am pleased to introduce myself as the Interim Head Football Coach for Todd Beamer High School (TBHS) for the 2007 season. I am very excited about this challenge and thank the administration at TBHS for this unique opportunity in my career. As well, I look forward to coaching your child this season, as I consider it an honor to do so.

A number of the coaches from last season under Coach Zatkovich have offered to stay on and assist me with this challenge next season. This is of great comfort to me to have these coaches stay to assist us with this upcoming season. There will be a few new faces next season, which I am looking to hire here shortly.

Our success next season will not come easy though. There is a lot of work to be done and the opening game will be here before you know it. Very shortly we will be starting our Spring Football Program. Listed below are some very important dates you and your parents need to be aware of as they are approaching quickly.

After School Weight Room 2:10 pm – 3pm M, T, W, and TH. Participation in our daily weight-training program is **necessary** in order to be successful. Students should plan to participate in this program 4 days a week after school, unless they are participating in a Spring Sport.

Air Barton Football Skills Clinic @ UW Dempsey Center Sunday, May 20, 27th and June 3rd 12 pm-2:30pm. Parents are needed to help transport players. Last year about a dozen players participated in this program to improve their individual skills. Visit <http://www.airattackfootball.com> to obtain more information and fees. Forms can also be picked up in the locker room.

Spring Football Equipment Check out and fitness testing Tuesday, May 29 2:30pm

Spring Football Practice Starts Wednesday, May 30 2:30pm

Central Washington University Team Football Camp Saturday, June 23rd – 27th. Cost is \$280.00 plus transportation fees. Visit <http://www.wildcatsports.com/football/fbbrochure07.pdf> for more information. Forms can also be picked up in the Locker room.

Finally a team meeting will be announced here within the next few days. Plan to attend this meeting and bring someone new. Our coaching staff hopes to provide you a **“great experience”** in your playing time here at TBHS. See you in the Weight room and on the field.

Sincerely,

Gem Abe
Head Football Coach
TBHS
