ALL GRADES – INDIVIDUAL SURVIVAL KITS

Basic Survival Kits will be a part of your child's school supplies each year. You may assemble your own or purchase one ready-made. Ready-made kit information will come home the first day of school. The kits that are now in school have food items in them that are being sent home, in order that food or drinks can be replaced, if needed. For more information, contact the office at 253/945-4500.

Suggested Supplies: Peanut butter or cheese crackers, tuna, beans, nuts, cereal, granola bars, dried fruit, fruit roll ups, fruit cups, pudding or ready to eat soup. These food snacks must be factory prepackaged, individually wrapped and only pop-top or easy to open containers. Optional items: wet ones, disposable flashlight or lite stick, napkins, plastic utensils, space blankets. No pop, please, we have stored water. You may also add a picture and a sealed note from parent to child, assuring that he/she will be with other family members as soon as possible.

All items must fit in one 1-gallon Ziploc type bag. Please label the bag with student name and classroom number.
